ADM LOGISTICS

TERMINAL SERVICES

ADM Terminal Services has an extensive offering of services designed to meet the specific needs of domestic and import/ export- oriented customers.

Services include:

TRANSLOADING
TERMINALING
WAREHOUSING
A FULL ARRAY OF LOGISTICAL FUNCTIONS

Our terminals are strategically located on major inland waterways, rail lines and highways, providing excellent transload points to the industrial corridors or trucking lanes of your choice and allowing immediate access to your key markets. Facilities are designed for rapid unload, secure storage and timely distribution.
