## News Release

October 1, 2009

FOR IMMEDIATE RELEASE

### **CHRIS DAMILATIS NAMED VICE PRESIDENT OF ADM INVESTOR SERVICES, INC.**

ADM Investor Services, Inc. (ADMIS) today announced that Chris Damilatis has been named a vice president and will manage its New York branch. Damilatis will report to Thomas Kadlec, senior vice president.

Damilatis will be responsible for the administration, management and growth of the New York branch, working in conjunction with ADMIS' New York brokers and the marketing and sales staffs of the Chicago and London offices.

“Chris’s extensive knowledge of the brokerage business combined with his sales and management experience make him an ideal fit for this position,” said Kadlec. “He will be a great addition to our New York team as we look to offer our clients access to a wider range of quality brokerage services.”

Damilatis has nearly 30 years of experience in the futures industry. Most recently, he served as managing director and head of the futures division of Prudential Financial, Inc. Damilatis received a Bachelor of Science in accounting and a Master of Business Administration in finance, both from St. John’s University.

#### **About ADMIS**

ADM Investor Services, Inc. (ADMIS) has been a leader in the futures brokerage industry for more than 40 years. ADMIS branches and affiliates around the globe provide clients with unparalleled brokerage services around the clock. ADMIS offers comprehensive futures trade execution and clearing services to retail, commercial, institutional and Introducing Broker clients in an environment of strong ethics and financial stability. ADMIS, headquartered at the Chicago Board of Trade Building, is a clearing member of all U.S. futures exchanges, with affiliated entities in London, Hong Kong and Taiwan. ADMIS is a wholly owned subsidiary of Archer Daniels Midland Company. For additional information on ADMIS, please go to [www.admis.com](http://www.admis.com)

## About ADM

Every day, the 28,000 people of Archer Daniels Midland Company (NYSE: ADM) turn crops into renewable products that meet the demands of a growing world. At more than 230 processing plants, we convert corn, oilseeds, wheat and cocoa into products for food, animal feed, chemical and energy uses. We operate the world's premier crop origination and transportation network, connecting crops and markets in more than 60 countries. Our global headquarters is in Decatur, Illinois, and our net sales for the fiscal year ended June 30, 2009, were \$69 billion.
