# FOODSERVICE & RETAIL OILS

## A PORTFOLIO DESIGNED AROUND YOUR BUSINESS

ADM offers a full line of the finest quality oils and fats both bulk and in a range of packaged sizes for the retail and foodservice markets.

### FOODSERVICE

From chips and fried foods to soups and sauces and more, you'll find the oils to make delicious dishes in ADM's portfolio. Enhance your menu with the superior flavour and performance of our products.

Each of our oils and fats is processed from carefully selected raw materials. Our portfolio includes long-life oils for frying as well as versatile soft oils for a variety of applications. Among them you'll find low trans and non-hydrogenated options to develop better-for-you menu selections, as well as standard blends for your traditional favourites.

### KEY BENEFITS

- Wide range of oils for foodservice and retail
- Created to increase interest and drive markets
- Low trans and non-hydrogenated options
- Available in a range of sizes
- Strict quality assurance

### RETAIL

ADM offers a range of both branded and own-label retail bottled oils through Edible Oils Limited, a joint venture with Princes Limited. Known for quality and consistency, the companies have established a strong market presence among retailers.

Choose from rape and sunflower oils as well as olive oils and olive oil blends in a range of sizes to help stimulate your brand and add interest to your aisles.

### QUALITY CONTROL

We manufacture all ADM products under strict quality assurance conditions.

### R&D AND APPLICATION SUPPORT

With ADM's quality oils, customers have available to them an integrated global network of technical and application support and R&D services.

In our advanced facilities, staff experienced in the unique properties of oils help maximise functionality. We work with customers and fully test oils to ensure products meet and exceed expectations.

### GLOBAL RESOURCES

To serve customers on six continents, ADM sources products from all over the world and provides a full range of services to support them. Multiple plants worldwide, combined with a global distribution system, ensure consistent supply and quality. A range of risk management solutions helps meet customers' needs while minimising risk.

For customers around the world, ADM draws on its resources—its people, products, and market perspective—to help them meet today's consumer demands and envision tomorrow's needs. **RESOURCEFUL BY NATURE™**
