

DRY SWEETENERS

THE DIFFERENCE IS DRY

Taste success when you make the switch from messy liquid sweeteners to convenient dry sweeteners from ADM. We have the all-natural sweeteners to give your product the perfect flavor, color, and aroma.

VERSATILE

We offer a complete line of dry sweeteners including honey, molasses, malt, raisin, and fruit, as well as nut coatings. For most recipes, dry sweeteners replace liquid sweeteners effectively and efficiently.

Plus, our dry sweeteners are available in flake or powder form, so you can choose the best option for your application:

- Baked goods and cereals
- Nuts and snack foods
- Seasonings and flavors
- Beverages
- Meat products
- Confections
- Dressings and sauces
- Sweet goods
- Icing and glazes
- Mixes
- Margarines and spreads
- Nutrition bars

WHY ADM DRY SWEETENERS?

- Convenient dry form—eliminates the need for pumps and other fluid handling equipment
- Functional in both liquid and dry formulations
- Economical—decreases product loss and/or shrink
- Consistent quality
- Easy to handle—boxes are more easily handled versus drums or totes
- Maximum flavor—provides mild to strong flavor and aroma
- Improves accuracy of measurement
- Reduces cleanup

CONVENIENT

Our dry sweeteners are packaged in cartons and boxes with polyethylene inner bags, meaning less waste and less storage space compared to using drums and totes of liquid sweeteners. Boxes also mean easier handling and safer working conditions for employees.

Plus, our products are free-flowing for easy handling, and their dry form makes clean-up easy—no messy liquid sweetener spills.

CHOOSE YOUR FLAVOR

Need a special blend or unique product? Our expert staff will work with you to help solve your formulation challenges and provide technical support.

Our research and development team has superior skills and advanced testing facilities to provide you with new formulations or help you test new products. We have the ingredients and expertise to help you succeed.

For customers around the world, ADM draws on its resources—its people, products, and market perspective—to help them meet today's consumer demands and envision tomorrow's needs.

HONEY

HONI-BAKE® DRY HONEY POWDER

The original dry honey product. Convenient, delicious, and economical, Honi-Bake dry honey powder can be used in breads, cookies, cakes, snack foods, health foods, or wherever the natural flavor of honey is desired.

HONI-BAKE 705 DRY HONEY POWDER

Blended from pure honey to produce a stronger-flavored honey product. Used in baked goods applications for a more intense honey flavor.

SWEET 'N' NEAT® 2000 DRY HONEY POWDER

Contains 70% honey solids on a dry basis, providing maximum honey flavor in virtually any application: baked goods, cereals, batters/breading, mixes, meat products, compound coatings, and all types of dry mix systems.

SWEET 'N' NEAT 50

Free-flowing powdered honey produced by spray-drying liquid honey with maltodextrin. Contains 50% honey solids on a dry basis.

MOLASSES

DRI-MOL® DRY MOLASSES POWDER

The original dry molasses product, made from pure black-strap molasses to impart a rich, dark color. Used for variety and other breads, sausage and other meat products, cookies, health foods, mixes, and cereals.

DRI-MOL 604 DRY MOLASSES POWDER

Dri-Mol 604 dry molasses powder is made from a light-colored molasses to provide a milder flavor and more subtle color in cookies and specialty breads.

DRI-MOL 60 DRY MOLASSES POWDER

Similar to original Dri-Mol molasses powder but made from lighter molasses to provide milder flavor and more subtle color in baked goods and specialty breads.

DE-MOL® DRY MOLASSES POWDER

Contains 70% molasses on a dry basis. Dark-brown color designed specifically for cakes, cake mixes, and food products where low water absorption is desired.

SWEET 'N' NEAT 4000 DRY MOLASSES POWDER

Contains 75% molasses solids on a dry basis, providing maximum flavor and color impact. Used in variety breads, cookies, muffins, gingerbread, and other mixes.

SWEET 'N' NEAT 65 SPRAY-DRIED MOLASSES POWDER

Free-flowing, tan-colored molasses powder produced by spray-drying liquid molasses with maltodextrin. Contains 65% molasses solids on a dry basis.

NUT AND SNACK COATINGS

SWEET 'N' NEAT DRY ROAST HONEY COATING BLENDS

Convenient pre-blends of honey, sugar, and salt for coating dry-roasted nuts, shelled sunflower seeds, etc. Produces rich, golden-brown products that are deliciously sweet and salty, with a touch of honey flavor.

SWEET 'N' NEAT OIL ROAST HONEY COATING BLEND

The same qualities as Sweet 'n' Neat Dry Roast Honey coating blends, specifically created for oil-roasted applications.
