

PEERLESS BAKE-LITE CAKE MARGARINE

PEERLESS - A TRADITION OF QUALITY

Pura Foods have been producing high quality fats for the craft baker for over 70 years both under our own Peerless brand and on behalf of other suppliers of leading branded products.

PEERLESS - BAKE-LITE

The Peerless Bake-lite range has a particularly rich, strong flavour which is retained and developed during the baking process, making it the ideal choice for a delicious tasting cake or biscuit.

Bake-lite Premium has an emulsifier especially selected for cakes, giving optimum lift, crumb texture and moistness.

Bake-lite White has an emulsifier chosen to suit a variety of applications, particularly biscuits. It can be used as a dough fat for puff pastry, adding extra flavour.

Bake-lite Clean Label has been specially formulated to maintain stability without the use of emulsifiers. A natural dairy flavour has been added to give best functionality.
