

Your New Main Squeeze

We're bursting with excitement about our huge variety of citrus solutions, built from our unmatched portfolio of oils, extracts, fractions, isolates and customized flavor blends. We've combined true-to-fruit citrus profiles with years of experience, making us the freshest choice for your full-service citrus partner. Are you ready to create fresh flavor profiles? At ADM, we translate nature into the flavor that defines products.

A SURPRISING TWIST ON TASTE

Our team of flavor creation and application experts knows the consumer market inside out. They are ready to work with you to make consumer-preferred products come to life. Consumers crave authentic flavor profiles such as Tahitian lime and Valencia orange. We're able to source specific varieties to create enhanced experiences consumers crave across the globe.

¹Technomic's 2019 Flavor Consumer Trend Report
²Fact.MR

Citrus is one of the fastest-growing flavor categories,
and the single most important taste profile for beverages.

Passionate About Citrus

We source the best out of the world’s citrus groves – from North-America (Florida, California) through Central and South America (Mexico, Brazil and Argentina) to Europe (Spain, Italy/ Sicily) to South-Africa and others.

- Very specific, qualified raw material selection, analytically and sensory controlled to ensure highest quality standards and traceability
- Global cross-functional procurement team buying all parts of the citrus fruits
- Most secure and reliable supply chain
- High diversity of broad raw material availability

ADM ENSURES A RELIABLE AND STABLE PRODUCT SUPPLY SO:

- you benefit from our deep understanding of market dynamics and strategic global sourcing through long-term supplier relationships
- gain an edge with more than a hundred years of whole citrus fruit experience

So, whether you’re looking to create authentic flavor profiles or innovate, we know taste is at the core, and we’ve got you covered.

ORANGE

sweet, blood, and bitter

key type A and B, Tahiti and distilled

DIFFERENT VARIETALS AND ORIGINS

The Juicy Details – From Tree to Taste

With their bright colors and delicious taste, citrus fruits are one of the most popular ingredients in the world. ADM de-constructs and then re-constructs their natural citrus flavor.

Our citrus platform relies on ingredients from centers of excellence in Winter Haven, Florida and Aufsess, Germany, serving our global demand. We have a unique set of citrus extraction and distillation techniques with the highest capacity serving the market.

- Highly specialized and experienced global research team, research used to support product development
- Customization of citrus ingredients for tailor-made flavors
- Global analytics network specialized on citrus needs and supporting full traceability

WE HAVE UNIQUE CITRUS COMPETENCIES THAT INCLUDE:

- State-of-the-art citrus extraction and distillation techniques
- Portfolio of varietal and origin specific citrus flavors
- The best citrus ingredients nature has to offer
- Flavor delivery for all applications

Comprehensive Citrus Ingredients Portfolio Used In Flavor Creation:

Low, mid and high-folded oils
Full range fractions and isolates

Special product lines
for increased stability
and solubility

Whole fruit extracts
Add-back flavors

WE'LL HELP YOU RISE AND SHINE

ADM's vast citrus ingredients portfolio ensures that you have access to unlimited formulation possibilities. Our creation teams ensure suitable adaption to local taste preferences too.

More Applications, More Benefits
