Tocantins	MONTE DO CARMO
Tocantins	PEIXE
Tocantins	PORTO NACIONAL
Tocantins	SANTA ROSA DO TOCANTINS
Maranhão	BALSAS
Maranhão	GRAJAÚ
Maranhão	TASSO FRAGOSO

First phase priority municipalities for traceability were identified by TFT based on key indicators: rate of conversion of native vegetation, area of native vegetation cover, area of soy cultivation, and ADM procurement. Statistical and geospatial analysis was used to identify key geographic clusters.
